

Braves Bucks Scrip Program

Announcing an exciting new fundraising opportunity for our Parent Faculty Club organization. It's the "Braves Bucks" scrip program, and it's the fundraiser that works while you shop.

What is scrip?

Participating retailers have agreed to offer their gift certificates at a discount to benefit certain nonprofit organizations. These are the same gift certificates that you would buy at the store. Chances are, many of the retailers you patronize participate in this program.

How does scrip generate revenue for our PFC organization?

You order gift certificates from the Parent Faculty Club and pay the full face value, but the PFC purchases the gift certificates at a discount from an organization called Great Lakes Scrip Center. The PFC gets to keep the discount, from two to fifteen percent or more, as revenue.

What's great about scrip?

The beauty of scrip is that you earn money for our school just by making your regular household purchases with scrip at participating retailers. Use the gift certificates for food, clothing, entertainment, or gasoline, or purchase them as gifts. With every purchase, you are earning revenue for our school without spending a single additional penny and you don't have to sell anything!!! It's simple and effective. Many schools in our area are already using this program with great results.

How to Order

- Use the attached order form to place your order. Additional order forms are available in the school office, or at www.bartelsoil.org or www.bartelsobrades.com.
- Orders and payment should be turned in to the school office or to the Scrip Coordinator, Amy Brueggemann.
- Checks should be made payable to the Parent Faculty Club.
- Orders will be placed with Great Lakes Scrip on the 1st and 15th of each month, unless otherwise indicated. Once the order has been placed with Great Lakes Scrip, it is expected to arrive within approximately one week.
- Scrip orders are not limited to Bartelso residents only, but the person ordering should have a connection to a Bartelso resident for ease of contact and delivery.

Delivery

- Gift certificates will be sent home with students in sealed envelopes, unless home delivery has been specifically requested.
- To request home delivery, please indicate home delivery on the order form.
